“ Judy was a dearest, closest "sister" to me. She was always there for me and she would drop everything to help me. She helped me many times over. Anytime I called or asked, Judy was there for me and my children. She was the closest thing I had to a sister. Judy was my children's "other Mother." She treated us like her beloved family. I have known her since the 70's. Judy was an important part of my life and I will miss her deeply. Our love and prayers go with Tom and his family. With deepest sympathy Joni, Jim, Teri, and Sherry

“ I am so sorry for your loss. Judy was one of my first friends. We were at her moms house and we were around 13 yrs old and her mom had this car and it was in the country if I remember right an sh taught me to drive a standard. Not sure her mom ever knew that. I don't remember why we grew apart but I missed having her as a friend. I would see her around once in a while. I'm glad her life turned out great. May she Rest In Peace. Melva Borland.

“ Judy was part of our family for as long as I can remember. We would call her and my mom twinsies because they were always together. Back in '75 or '76, Judy cut my hair so I could have the Farrah "feathered" look. From then on, I thought she was one of the "cool" ones... ;) I have many fun stories about Judy, but the most precious one is her love for the Lord. I didn't get to visit too often these last years. When I did, I saw and felt the depth of God's love through Judy. She inspired me in so many ways!

There will be peace in the valley for me some day
There will be peace in the valley for me, oh, Lord, I pray
And there'll be no sadness and no sorrow, no trouble I see
Only will be peace in the valley for me, oh, yes
Yes, there will be peace, sweet peace in the valley for me, oh, yes
