“ Dear Greg, Vicki and your families,
I have so many good memories of your family when you kids were young. Greg, you're just a year younger than Rhonda and Vicki, you are a few months older than Randy, so we shared so much. We could just on a moment's notice decide to go to one or the other of our houses after church for lunch and Sunday afternoon. Your mom and I worked together on so many projects for church and UMW; the biggest one was making a lot of "busy books" for selling at our bazaar. She could sew "circles around me"! I'm glad to see that she taught her "grands" games and crafts!
She was also a good church secretary; I still have the cookbook she put together from typing it to compiling, etc.
God Bless you and yours.

“ Harrybill and Cleo Huffman remembered Aaron and Marilyn from Asbury United Methodist Church in Springfield. They were delightful people. My sympathy is with their family.
