“ We would like to send our love and sympathy to the entire Lyon family. We got acquainted with Mary a little bit at the Wesleyan S.S. class, but not enough to know her well. For Joe and Marianne, Marguerite and all the rest of the family, we just want you to know we care deeply about your loss.

“ My fave memory is that she directed me in my first play when I was 8. She started me on my path to getting my theatre degree as well as becoming a make up artist . She always told me I was special and could do anything .

“ Some of my best memories of Paris was with you and Lucy! I was feeling homesick and you turned what could have been a sad lonely night into one of my best memories! Thank you Lucy for sharing your amazing Mom with me when I needed it! I love you both!
