“ I treasure all the years I have known Sally. Special for sure, always smiling and fun to be around. I'm sorry that I cannot be there today, but will be praying for her sisters and her family. She will be missed by many. But I know that she is in the presence of the Lord and we will see her again. Frances and Neal were happy to see another one of their children. May God bless all of you. I love you, Marilyn Clark

“ Carnes Family,  
Sally was a person I admired for her work effort, kindness, her hugs and smiles. I was honored to have been present for her Ringing The Bell at Mercy after her finishing a chemo treatment series and asked to be in picture with her. She is a person that I am glad to have known.  
Sincerely,  
Dennis Conrow
