“ Some of the fondest memories I have of Timmy was when we were little kids and him, his brother Ricky, my sister Cheryl and I was always out exploring, walking along the railroad tracks, etc. One time the 4 of us were playing with matches and Timmy got worried we were going to get caught so he went ahead and told on us and we all got our butts whooped. As adults unfortunately I didn't see him very much at all but on social media we teased each other about our football teams. Tim didn't like my teasing though. He was a very fierce defender of the Kansas City Chiefs. Tim I am so sorry we didn't spend more time together but I hope you know how loved you are and how missed you will be. Have a wonderful reunion with your mom and brother. Rest in Peace Timmy.
