“ We are so sorry to hear of Aggie’s passing. Our thoughts and prayers go out to the family. We had the privilege knowing your parents during our time at Schreiber Foods. Your Mom was such a sweet and down to earth person I know she will be missed by many. God Bless.

“ When Myrt became office manager at Schreiber Cheese plant that is when I met Aggie. Later, after Myrt retired, he and Aggie became my neighbors and I couldn't have asked for better. It was such a joy to bake something special at Christmas and take to them each year. Both Myrt and Aggie were such a blessing and a joy to visit with at any time. For quite a while now, I have passed by their house and feel a sad emptiness that they are no longer there. I was able to visit with Aggie at St. Luke's and thankful I didn't miss those opportunities. Life is so short and people like Aggie....so very dear. I love the picture and it truly shows the lovely person she was. I will miss her!

“ I will never forget Aggie! She was one of the kindest, loving and funniest ladies I've ever had the honor to meet. She was an awesome Mother n Law! She always said, “ I don't know about you kids” I was never hungry there. I cherish and use a lot of her recipes too. She always greeted me with that big beautiful smile of hers. My heart breaks for Karen, Brian & Steve and their extended families. May God help you find healing and comfort knowing she is at home now serving Myrt his coffee. Thank you God for allowing me to know and love such an earthly angel, as she is home with you. God Bless
