“ *My sincere condolences for the loss of dear Alice. She was so much the second Mom to me and she will be forever in my heart. I have so many fond memories of all the times spent at your house, hanging out or running amok over the tri-state area. Alice was always there, usually trying to force food on the unsuspecting. :) My thoughts and prayers are with all of you. Much love, Kath*

“ *To Robbie, Janet & Family,
Memories in the Heart
Feel no guilt in laughter, she knows how much you care
Feel no sorrow in a smile that she's not here to share
You cannot grieve forever, she would not want you to
She'd hope that you can carry on, the way you always do
So talk about the good times and the ways you showed you cared
The days you spent together, all the happiness you shared
Let memories surround you. A word someone may say
Will suddenly recapture a time, an hour, a day
That brings her back as clearly as though she were still here
And fills you with the feelings that she is always near
For if you keep these moments, you will never be apart
And she will live forever locked safe within your heart*
