“ I was sad to find this.. I ran across a letter from her tonight from Dec 2000. We knew each other from retail .. we met when she was running a store called Allison's Place... Life lets time get away.. she was a fantastic woman.. she was extremely special to me. She helped me through a trying time in my life. Her kids where her everything.. although I only met Rob, I knew all about the rest of you. Hope all is well with everyone... Take care... sorry it took so long...
