“ So sorry for your loss Barb was a special person to our family. We care for the car wash behind the house. She was always talking with my father and mother and we will miss her a great deal. Such a wonderful lady. Barb will be missed so very much.

“ My deepest sympathies are sent to you..I do now your pain and wish there was some way to help ease it. Losing a parent is one of the most difficult situations to face in life. Please be strong as the hardest part is over. Your mother put up a good fight, so I hear, and is now finally at peace. I cannot tell you anything that hasn't been said before, but do know, for what its worth, I am thinking of the family and I do feel a loss as well. After all, she was a part of my life for several years and despite everything of recent, there are some good memories. With deepest sympathies Jodi
