“ We are so sorry to hear of Betty’s passing. Even though our paths haven’t crossed that often in recent years. I had the privilege to work with your Mother many years at Schreiber Foods. But my fondest memory was your Mom and Dad and you kids were some of our first neighbors after Mary Jane and I got married and lived in a mobile home down the street next to the Rosenthal’s. I also remember your parents motorcycling. Your Mom was so sweet to us, and I can still see her little smile. You all are in our thoughts and prayers. Be strong.
