“ Wow. So Sorry to hear about Blake. We had our own little groupie back in the day. Wish we all could have gotten together one more time. Blake was a Sweetheart inside and out. Our Birthdays are one day apart. The best part of St. Anns was our tiny class. Louie. Blake. Kevin. Greg. John. Steven. Lewis. Missy. Julie. Nancy. RIP seems like I'm missing someone. We shared so many years together and secrets in the House. The tunnels. the pet. The overnite. The Plays and all and all our just fun memories I love to remember. We seem more like friends instead of classmates. But so glad we all were. Cause Even today I still ❤️ each one of them!! RIP BLAKE.

“ Blake and I became fast friends over 40-years ago while attending Missouri Southern State College. Although our chosen careers took us long distances and many directions, we managed to stay in touch and up-to-date. Blake was a very good man who worked hard, held close to his faith, and loved his family. News of his passing has saddened me deeply. My sincere condolences to his family for their terrible loss. RIP, my old friend. Have a blast now that you are back with Hank. It was an honor to be your friend. You will be missed by so many.

“ *McAuley classmate of 1978. Blake was Mr. Baseball in our class. He was the most humble person I have ever known. He was a great student, I think he came the closest to getting a perfect test score on Mr. Monsour's tests! RIP Mr. Baseball!*

“ *I met Blake in August 2022 when I first started working at St. Ann’s School. He was kind, humorous, brave, humble, never complained, and very passionate about his faith and about his students’ education. This earth lost a good one. Heaven’s gain.*
