“ Brandon and I knew each other from Belleville East High School. Both of us took French classes and joined the French Club, which is where we met. Brandon and I, along with eight other students went to France in June of 2008. We were the 1st two willing to taste the snails. He helped me with the home sickness especially on Father's Day, when we called our dads and I could not get ahold of mine right away.  
Brandon was a great friend and always joy to be around. My heart and prayers go out to his family and friends during this difficult time. Rest in peace, Brandon, until one day we meet again.

“ Dear Stuckey family, My heart goes out to you at this time. I was devastated to hear about Brandon's death. He was such a good kid as a third grader. Finding out what he has been doing with his life, I know he was a good and faithful Christian. I will pray for peace for your family. Lee Ann Donoho Brandon's third grade teacher.
