“ *I really enjoyed playing softball for him. He really made it fun. Then I got to bowl with Linda and Mary. After that we started all playing golf together. So I really got to know him well and I thought the world of him. I shared the love of Cardinal baseball with him too and we started going to Springfield and St. Louis games. There was never a dull moment. It is really going to be hard not hanging out with him. Linda I am so sorry for your loss he was great person.*

“ Carl has been a special friend and neighbor for years. I am going to miss golfing with him, as he was always able to outdo most of us and kept us in stitches. He was a fun person to be with, always smiling or shaking his head. There is a ghost path between our houses that will soon fade, but the memories will live on. Sleep well, Carl.

“ *Linda, Jeff and Jill we are so sorry to hear of Carl's passing. I had
the privilege to know and work with Carl 40 years at Schreiber
Foods. He was a kind man and a hard worker. He always had a
good word to share with everyone. He loved his baseball and was
thought of in his 20 years of coaching. He will be missed, but we all
know he is not suffering now. I am sure he is at "the heavenly field
of dreams" watching the baseball greats that went before him. Mary
Jane and I want you to know you all are in our thoughts and
prayers.*
