“ Words can not express the great sorrow that is felt by the loss of such a beautiful soul. The beautiful picture you have here represents who she was perfectly. I will never understand. I know she will be watching over Justin and Allie and their families from heaven. She was able to meet five out of six of my adult children and they are all devastated by this loss. RIP Carolyn, you will ever be a part of the people you knew.

Our thoughts and prayers are with the family during this time, Alesha, Matt, Kelly, Keesha, Lindsay and Samantha.
