“ *We extend our deepest sympathy to Bob and the rest of Charlene's family. What a joy to have known Charlene. She was full of life, loved all those around her. We laughed together, sang together for many years (Sister-N-Song) and cried together. May you all find comfort in the found memories she has left behind for you and the rest of us.*

Bob & Carol Peck - April 02, 2010 at 11:31 PM
