“ I am so sorry to hear of Chris's passing. She was my Dad's cousin(Luther Stafford. I did not know that Chris was in a nursing home. I always sent Christmas cards and letter to her and one year I got my mail back. I though then she had passed away. I wish I would have know she was still alive, I would have kept up with my correspondence and would have loved to get more info about our family. I don't even know if she has any family on her side left. So to those of you who were her friends or family I express my sympathy and would love to here from you, either family or friend. Becky
