“ I was very sadden to hear of this sweet young mans passing....I worked with him at NCO and he was ALWAYS kind and sweet and full of information...when we worked across from each other he would lighten the moment with his quirky humor...I know he was much loved and will be missed greatly...My condolences to your family

“ I just cannot believe this he is the same age as my oldest son and as a parent myself there are no words to describe the loss of a child before the parent. Wishing, and praying that your loved ones find comfort with each other come together hope they know that you are their angel in heaven now watching over them all.
