“ It's so hard to even think that my Cousin Chris is gone (but not forgotten). I have so many memories with Chris. When I was younger and would go stay the night at my aunt and uncles, I was always hanging out with Chris because he always made me feel safe. I could always talk to him about anything. The other memory is what he would do for all of the kids at Christmas time. Chris I will miss you very much. Please watch over all of the family. Becky and kids please know that I will always be here if you guys need to talk.
R I.P Chris you are no longer in pain. I love and miss you.
