“ This hurts. I worked with Chris at Jasper Products several years ago. Chris was such a kind man. Always had a smile and a laugh to share. He told some hilarious stories. While there isn't one specific memory I have, I can say he was always raving about his boys; he was so proud of them! I was just thinking about him a few days ago, but didn't know how to get a hold of him. Prayers to the family and other friends.
