“ *Crystal was such a bright light to our family when we thought there was no hope. She came into our lives at a very difficult time, but was very supportive, loving, compassionate, caring, and unselfishly giving of herself to care for our mother(Sandra Howard). At that time Crystal had no idea how she was the answers to our prayers. We are forever grateful to her for all her love and compassion she showed to our mother. Heavenly Father, please be with Crystal and her family at this most difficult time, and let crystal know just how much we loved her.
Bring peace to Brenda, Joe, and the children knowing that in you we have life eternal.*
