“ Almost 24 years ago you showed up at my house to drop off something to a mutual friend. We were having a small gathering and you ended up staying for awhile. The next weekend you showed up again. Told Sarah and I " I missed hanging out with you girls." We all became fast friends who have had so many memories over the years as we have grown up. I'll always remember you as having one of the biggest hearts. There will never be another like our Crystal. Sister you are missed. My heart and thoughts are with you and your family.

*With you in sorrow,
Elizabeth Wolfe*
