“ I was so sad to hear of Dale passing. My Dad was Harold Thieman. Dad and Dale and Jim Frerer had a flying business together.P.F.T. Flying Service. I spent many hours at the Carthage Airport. I remember when Dale and Vonnie got married. Sometimes I would see Dale at a sale and we would catch up. So sorry for the family. I always think of those days when I see a crop duster.

“ I lived across the road from a field that Dale sprayed. It was on Center Creek with trees on both ends of the field. It would scare me silly watching him. He would swoop down from the east end and spray and just miss the tree tops on the west end climbing out. When he was finished he would make a pass and tip his wings at me... He was amazing....  
What a fun and loving man Dale was. I sat with him and watch the video of Vonnie, when they showed a picture of her he leaned over to me and said she was beautiful wasn't she.

“ I was sowing wheat years ago when out of nowhere an airplane bussed over my head, I think it left tire tracks on my hat, wiggled it wings and flew on toward Carthage Next time I saw Dale he smiled and wanted to know how my wheat was doing.
