“ I'm sorry to hear of both David and Larry's passing. The Twins were fabulous guys and fun to be around. My husband and I knew them while we were growing up in NCHA/FCRV, and then later as we became adults. They knew me through Campventions, and then later as Pennsylvania campus as their SPC state director. They were always planning long bike trips wherever we went. They were nearly unstoppable! Larry and David were some of the friendliest people I'd ever met - they never met a stranger. Their joyful laughter rings clearly in my memories.

“ To Larry and the Demonet Family,  
We were so sorry to hear of your loss of David. Two people we always looked for at Campventions and Retirees Rallies were David & Larry. The enthusiasm, smiles and love for others was a joy to see. We are thankful for the many fond memories, one of which that was so special was the Campvention at Hutchinson, KS in 2003. Our thoughts and prayers will continue to be with you and your family. *To Larry and Family, so very sorry to learn about David's passing. Growing up three houses down the road, you and David were always so generous with your time to play catch, throw a frisbee, or let me borrow a bicycle or even wooden stilts. Larry, please know I share in your sorrow and will always remember how kind you and David were to me. Keeping you in my thoughts. Bruce Winter*
