“ I'm so sorry to hear of Dave's death. We were good friends in the late 70s when we were both working as singing waiters at Judge Riggs restaurant. So many fun adventures. His memory will always be in my heart. My condolences to the entire family.

“ David moved to Rochester NY many years ago and brightened many lives while living here. He became a good friend to me on meeting him, then one of my best friends till his move to carthage and we lost touch. Through his artistic and culinary talents he fed and entertained his friends many days and nights, showering us with piano, song and love. His friendship, talents and loving heart will be missed forever. I can only hope to meet a sweeter, stronger and gentler man as he. My love goes out to his friends and family, especially his mother who he loved dearly. Michael Bellavia
