“ Debi was more than just a resident of Carthage and more than just a manager at a pizza place. She was the most amazing person that you could have ever came across in life. She has impacted so many peoples lives in positive ways, her smile and laugh could make any ones days go from crappy to happy ❤️ she was a hard core raiders fan 🤪 she has so many amazing friends that she considered family ❤️ she loves her daughters so much Jada and Tayrn. She also loves her girlfriend Alexis with all her heart. She was also my sister that i will miss so dearly. She was so much more than what was written about her here. Im so glad God put her in our lives, now God has called her back to his kingdom ❤️ we will continue to remember you as a free spirited individual that didnt let anyone tell you what to do ❤️ dont worry debi we still got you 🙌👊👊
