“ *Diane was a dear, dear friend. She was such a sweet person and had a wonderful sense of humor. She was a great cook, was very creative, talented and artistic. She was very tech savvy and we used to call each other for help--I called her more than she called me.*

I will miss her. I'm sorry I was unable to attend her service.

My deepest sympathy for your loss.

“ *Diane was a fine person to work with and a great employee. She was always supportive and was always willing to jump in on any task what ever challenge we in Operations at the Empire District Electric Co. would be facing.*
