“ We would like to send condolences from the Baird family. Isabella describes her as spunky and always enjoyed the things at thrift shop she and Vic would pick out for her. I would say she had moxy and a great sense of humor and I sure admired her for her plain spoken opinions. My mom Mary thought a lot of her and really enjoyed seeing her at shop before my mom wasn't able to go anymore because of her health. We will miss her as we already have. She was a good lady and definitely made an impression on us. May peace be with you.

Sincerely,

Mary, Sara & Isabella Baird
