“ I am so sorry that I was not aware of this until now. I have so many fond memories of Dodie when my Aunt Edith (Gray) lived downstairs from her and Bill. Many many evenings I played cards with her and my aunt and always remember how much fun we had. Again I am sorry that I didn't know about this until now. God bless your family. And may she rest in peace. What a great lady she was. She just made you feel like family from the minute you met her.

“ I am sorry to hear about your loss. I just wanted to share an encouraging thought with your family. At john 5:28,29 it says "Do not marvel at this for the hour is coming when all those in the memorial tombs will hear his voice and come out." God not only has the power but also the will to bring back our dead loved ones who we have lost in death.
