“ Just wanted to say it was a privilege working with Doug I actually learned alot from him and I will greatly miss him at work. Most of all though I will miss seeing him go to break at 830 1030 and again about 1130 with his good friend Mickey and then go to lunch from 12-1230 yes he did it his way and that's what I liked about him. And last but not least is our times talking about Webb City football he told me his kids went there and so do mine and that's probably what I'll remember him most by he loved his Webb City cardinals RIP
Doug work won't be the same without you
