“ I did not know about Doug's loss in time to come and personally give you my condolences. Although I haven't seen him in many - too many - years, he was a rock-solid friend. His sense of humor was remarkable. His kindnesses and compassion were admirable. In memory of Lynn, I offer up prayers of peace and comfort to his family. I hope Doug's spirit is forever with you. The ever-present smile, the consideration, the zest for life that Doug had, these need to be carried on.

“ I don't ever remember Doug without a smile or a witty comment when he came into the office. He would always ask how I was, I would answer him and then I would ask him how he was, he would always say "Finer than a frog hair split four ways" Sending my sympathy and prayers for comfort to his family during this difficult time.
