“ Going to Uncle Elmer and Aunt Theresia's house to visit from Springfield was always a good time. I remember Uncle Elmer being the auto enthusiast and having pigeons galore! Most of all I can remember his voice and the way that he laughed from his gut! A life well lived. Prayers of peace and comfort to my Aunt and cousins who will miss his presence deeply.

“ I have so many fond memories of Elmer, He and Theresia were the first ones to baby sit Chris after I had to return to work after having him. We we became more than just friends and neighbors, we became family. My parents bought a place at the lake and we would go there with the Freys and camp at my parents. Elmer loved the lake and bought the place right next to my parents so we kinda became double neighbors, they lived 2 houses from us for several years and then next to my parents at the lake. He love going out in the boats thru the day swimming, skiing, and just having a great time, we spent many hours fishing and noodling for the BIG one. Elmer always treated us like his own kids and Chris became another grandson to him. He was such a fun, loving, and great man to be around. It is so hard to believe he is gone, but I know he is going to be spending some time again with "the Park Ranger" and "the Ol'Coot" that was his nicknames for my Dad and Mom. I don't know how to express my gratitude to the family for sharing such a wonderful person with us. I will miss him very much, Elmer always gave me a big hug when I seen him, sure wish I could get a few more of those from him. Love you Elmer, have fun fishing and keeping the "the Park Ranger and "the Ol' Coot" in line until we meet again "Ol' Fuddy duddy"
