“ We met Eric when he worked at Neosho Powersports. He was always there to greet us and have a great visit, we always enjoyed him and looked for or asked for him. He was the highlight of our day. He was upfront and honest with us, a true friend, we loved Eric! I remember when I traded in a pink motorcycle and he had to haul it in his truck to get an IDOD...he was so embarrassed LOL!! We will never forget Eric and we truly miss him!

“ Eric was a very special guy: a US Navy Vet, a man of integrity, he was the General Manager of Powersports of Joplin, a Christian, and a good friend. Eric was the "go to guy" at Powersports, he was the guy that had the data in his head. I wish all of his family my greatest sympathy. God Speed Eric.....Garrett
