“ I remember wher Betty Charlotte and Terri were small and we were all home on leave We were at Uncle Roys' and Aunt Ermagines and a black snake got into the kitchen. Of course all of us girls started screaming like crazy. Aunt Ermagine said in a very calm voice, "Roy there's a snake in the kitchen. Will you take it out so these girls can quit catawallerin?" She never got upset or overly excited in front of me. I will miss her dearly.
