“ I remember Ethan so clearly from high school, his personality and his sense of humor, his nice smile and his courtesy. Too young, Ethan, the world lost you. Condolences to his family and friends.

“ Having only recently come to know Ethan through work-- We trained together in Feb and he sat literally 75 feet from me once we moved out of training; I offer my most sincere condolences. He was a wonderful young man and incredibly thoughtful. I was in an accident not two months ago and his concern for my well being was extremely appreciated. I am so sorry for the families loss and I wish him a wonderful rest. Godspeed Ethan.
