“ *Eula Mae was one of my Mom's (Frances (Wormington) Taunton) best friends. They met while both were working at Kress Dime Store in Carthage, MO in the 1930's. Eula Mae never missed sending cards for birthdays and Christmas. My sister, Janis, and I are so sorry that we were unaware of her passing until now. We will always remember Eula Mae for her friendship with Mom and the kindness she showed to us.*

“ Our sympathy and prayers go out to the family and friends of Eula Mae. We could always count on a card from her for our birthdays and our anniversary! Alvin Radford was my cousin. My maiden name was Virginia Radford from Alba. In sympathy, Virginia and daughter Donna

“ Eula Mae was one of the kindest and most sincere person I have had the pleasure of knowing. She married my uncle, Joe Cooper, and the two of them were a perfect match. Now she is with so many friends and family again. She and I went to lunch and visited together quite a few times and we had so much fun. She was a wonderful blessing to so many. I will miss her but I know she is writing her messages to all the angels in heaven. Bless you, Eula Mae. Thanks for the memories. Karen Pattison

“ It is true she would mail out clippings from the new papers. Not really knowing us, we could always count on a clipping, about our kids activities in school, from her. She was a blessing to many.
