“ Please accept my heartfelt condolences on the passing of Fern. I had planned to see her at St. Luke's when I came home for a visit with My Mom just down the hall. I was sad when I learned I had missed her by 2 days. Fern was probably one of the sweetest people on Earth. She always knew me and remembered Charlie. Had great conversations with her last September when I was home even though I knew she had been ill and was struggling to get better. I loved spending time with her and talking to her. And, she had a great memory. Please know my thoughts, prayers and my heart are with you at this very difficult time. Annie Rogers
