“ My wife and I had the opportunity to meet Mr. Midcap on the evening of September 7 outside DeSoto Kansas. He was lost and asking for directions. It was obvious that he was disoriented and needed some assistance. We waited with him until the authorities arrived. It was a very pleasant conversation and we could tell that he was a very fine gentleman. We were curious and researched him by name and are saddened to hear of his passing. We offer our sincere condolences to the family. We will always remember our encounter with Mr. Midcap and will cherish his memory. - Michael and Kathryn Rumsey (Lenexa, Kansas)
