Tribute Wall

“ *Coleen and my dad, Larry Mitchell were great friends. They used to go to the senior center together as well as the casino. They even won the Halloween contest when he dressed as a woman and she dressed as a man. When my father was still alive I would hear them on the phone early in the morning just talking away about anything and everything. She was a great friend to him and for that I will be forever grateful. She was one fiesty lady but told it like it was. But she was loyal to her friends and would do anything for them. She will be missed!!!*
