“ We are shocked beyond belief. I served with Gary on the Little League Board. He captured my heart immediately. He was fair, caring and just a stand up guy. I'm so sorry for our lateness. We don't get the paper and Roger looked today and saw Gary's picture and called me over to see if I knew him.....No,No,No...not Gary

*I have no real understanding of your pain. I knew in my heart you two were very close. I never saw him without you. And loved that about you two. Please know you are in my prayers, in my heart...and I wish You comfort in the time ahead.*

“ We are so sorry to hear of Gary's passing. We knew him when he still lived in Tennessee, he was a very close friend of my brother, Wayne Reed. I remember seeing the two of them riding in his Jeep around our town. The last time we saw Gary was after he had moved back to Missouri & came back for a visit. He & his wife had stopped to visit my brother, had the pleasure of meeting her. Our sympathy goes out to his family, will be praying for them at this difficult time.
