“ *She will always hold a special place in my heart. She took care of me until I went to kindergarten & I was heartbroken when Mom told me I had to go to school & not Jearldine's anymore. She did so much more than run a daycare!! She was a marvelous lady & created beautiful dresses! I believe I still have one she made for me as a child. Prayers to all the Hibdon family.*

“ I have the sweetest memories of having Geraldine as an awesome, fun “missionette” teacher when I was just a young preacher’s kid growing up in the church. She was always doing fun things like slumber parties and surprise events with our group. She had as much fun as we did and we all loved her for it! Really blessed to have had a teacher/leader that invested in her kids ! Blessed to have those memories! Prayers for her whole family as they celebrate her life!
