“ George was very onery and loved to tease my sister Jeanie and I. He says we were the Wild Crazy Sisters. He always gave me a hard time even when he felt bad. He will be Greatly missed by all.

“ Sid Hiatt here. A friend of George's for it seems like ever. I had the good fortune to talk with George a couple of weeks back. We talked about events way back in our history as well as current times. Nice thoughts to remember. I just thought about George's Edsel. Also know that George left us too early since he had a couple of projects to complete I am sure.

My heart and mind are with you all. George was a good man and a good friend to me. I will miss him as I am sure you all will.

God Bless
