Additional survivors include her brothers Lonnie Guyll (Betty) and Jerry Guyll (Sue) and numerous nieces and nephews. Although a simple thank you will never be enough, the family wishes to acknowledge the following individuals: Cheri Cantwell, Terry Aronson, Mike Paugh, Gary and Brenda Hicks, and Jerry and Muriel Carter who were a constant support system with their show of love, actions, unconditional giving attitude, and the occasional "toddy." In addition, many thanks to those too numerous to mention here.

“ I am so sorry to hear about the passing of Susie. I still remember her as being the young carefree, loving mother I knew back in the 70's. My heart goes out to her family, who are in my heart and prayers. Wish I could be there.
