“ I once heard about a man who long ago stood alone praying while emergency personnel rescued me from being trapped in a machine. I believe I owe my last twenty-six years on this planet in part to that one friend and that one fervent prayer and I'll thank you again face to face when I join you up there big guy. Until then, revel in glory.

“ *Jim Im really going to Miss you Buddy! I remember when we first became friends when you , Liz Meeks and myself were in a chain reaction car wreck when some dumbass stopped at the stopsign that was being waved on by police escort. We were tight from that day forward and "played together" ever since! I pray for Lana and the rest of your family and hope she will be safe and find comfort.
