“ Delinda and Allena, Nancy and I are sorry for your loss. Dr. Volskay and I were department heads at MSSU at the same time, but Biology and Psychology were in different schools so there were not many opportunities to interact. Nancy worked in Academic Affairs and other offices and remembers sending contracts and paperwork his way.

“ Being in FFA. We would sell fruit for a fundraiser. So many would say it’s too expensive. But I would go to our neighbor the Volskay’s. Truman would get out his calculator and divide the price of a case. Made me nervous. Then would buy more than anyone else that I sold to. A Good Man. My prayers are with you all. Ron Miller

“ Hard to say goodbye to Uncle Truman. He was the last of his siblings, to pass on. To me, they were never “uncles”, or “aunt”, they were my friends. Always greeted me with smiles, took me fishing, or train watching (favorite family pastime). Just never knew. But family gatherings were always cherished events. He will be fondly remembered, and truly missed.
