“ Jane and I share 2 awesome grandsons! We loved sharing all the good things about them! I will always remember the day Tasha graduated from MSSU. Jane hugged me and said how proud her Dad would have been of her accomplishments, and she wished he could be there. I hadn't even said anything, and she just knew what my heart was feeling. That's a true friend!
She raised a wonderful man that I get to call my son-in-law, Brett!
