“ Condolences to the family. Janice was a cousin to me and so special. Sorry I did not know of her passing sooner. We always had fun coming to the Wamplers for family visits. Remember some great hay mazes in the barn! Loved her free spirit. Miss her.

“ So sad to hear of Janice's passing. I know she has been in bad health for several years and now her suffering has ended. We worked together at Safeway and were great friends. I moved away in 1979 but still kept in touch for many years. I have lots of memories of all the fun times we had. Janice was a wonderful woman and loved her family very much. She was such a generous person and a special friend. Prayers of comfort for her family.

“ Janice and I worked together many years at Safeway Cheese until I went into the Service. Such a lovely lady and one heck of a friend. Many, many motorcycle trips we took. I visited her a couple of years ago but I'm sorry to say she didn't remember me. May God take care of my friend. Many prayers to the family. Terribly sorry she left us but her body and soul is in a much better place. I'll miss you my friend.
