“ *Oh our sweet, sweet Jan. I will miss your beautiful voice, and I cherish every note of every song we sang together! Your contagious smile, how you always talked about how "cute" you thought John is (ain't he cute?). Your amazing penmanship (could always tell you were a school teacher!), how you did such a fanominal job with our BBC library - we got compliments all the time! Just how you loved, period! I love ya girl, and miss you already my friend. Until we meet again...*
