“ *My sincerest condolences to Jeanne's family. I had the genuine pleasure of working with Jeanne for the last several years. She leaves behind many friends here at ALR. Jeanne was the best at what she did. She always left us feeling that she really cared about what she was doing and did it with a certain class, personality and professionalism unrivaled anywhere in this business. She did it with such ease that it had to truly be in her nature.*

I'm not alone in my feelings towards Jeanne, it is shared by everyone I know that knew Jeanne. She will be terribly missed and fondly remembered.
