“ *What do you say about my Auntie Nellie.....she was a true gift that will be missed by all with her infectious smile and wonderful laugh and so gullible at times but just a pure joy to be around. Will miss all of our trips together and so much fun when we went to Nashville. She had a ball.....I will love you to the moon and back. She was loved by all who knew her.....rest in peace Nellie Bellie.*

“ *My Aunt Jenelle will always and forever be a special angel. She always had a smile and laugh to brighten anyone's spirit. My favorite memories are of her being my best clogging partner and our fun trips to dog shows oh so many years ago. I always had a way of making her laugh and she would always be my partner in crime. RIP Auntie Nell until we cause trouble again.*

*Love, James*

“ My Aunt Jenelle was such a "jewel". Always ready with that beautiful smile or her infectious laugh. So easy going and fun loving and I will truly miss this "angel". I remember the trip to Branson a few years ago with her, my sister and Mom and we enjoyed the trip and spending time together. My prayers of comfort for her sons, daughters-in-law, grand children and great-grandchildren. She loved you so much.

*Rest in peace, Nellie Bellie.....love, Sue*

“ I had the privilege to work with Jenelle at Schreiber for a number of years. I also worked with Amos at the cave. My first memory was when Jenelle, Leona Lee Macy, and Charley Standefer and I rode together to work at Schreiber in the late 60s. I will always remember her smile, and she was a hard worker. My thoughts and prayers are with the family at the time of their loss.
