“ I knew Jerry in high school in Riverside Ca. He was a wonderful friend to me. When my son was born he was so tender with him. I just spent the weekend with my son and Jerry's name came up. He remembers him playing with him by making dots on paper and telling him that the dots said his name. I just tried to look Jerry up because he was on my mind to tell him how much we appreciated him. I'm so sad to here of his families loss but am so happy to know he knew the lord. May God Bless you and your family. Beth Taylor ( Foreman) 760 987 9559. I have so many memories of those good old days

“ Jerry n I had a great opportunity of working together for almost 2 years at FDC in Carthage MO. I got to talk with Jerry on Tuesday thru Thursdays n some Friday's every week. Jerry n I talked about a lot of things...work, church, his motorcycle n upgrades on his house. Many times I would go to Jerry n get sound advice about life issues n Jerry would calmly listen n then help me on some issues I was having. Some times I would help Jerry out with work because knew his job was very stressful...doing 3 peoples jobs at once! Jerry was a very nice guy to talk to n pleasant co worker to work with! May God send healing, strength and comfort at this time to his family n friends! You will be very much missed Jerry!

Your friend n co worker....Charles Sinnamon

“ How blessed are we to have a lifetime of memories to recall and share of our brother Jerry. This sure hurts us here on earth, but what a celebration there is in heaven. Our faith tells us that Jerry is now with Mom, Dad, grandparents and many mo. But we can only imagine the joy Jerry will have to be with Mandi, Shawn, and Melissa. That should give us comfort.

We are so thankful for you, Karla. You and Jerry were blessed to have found each other and were so happy. We hope your memories will comfort you, Karla. We love you and will continue to pray for you.

We are also so thankful for Jerry's Missouri family. While we sure missed Jerry when he moved to Missouri many years ago, it was good to know the people there loved him and welcomed him like family does.

“ One of my favorite memories of Jerry was sitting outside in this apartment complex that my husband and I lived in and Jerry lived there as well. Jerry would have all of us rolling with laughter because of his singing. We had so many great conversations, laughter, and motorcycle riding. I will miss him saying with a big ole smile on his face "how's it going Trace". He truly was one of a kind.
